

COMPANY PROFILE
OF
SPRAYTECH SYSTEMS(INDIA)PVT LTD

INDRODUCTION

Spraytech Systems (India) Pvt. Ltd. was started by Shri. Bapusaheb Kharade in early 2000. It started as a spray nozzle manufacturer for the replacement market, catering to Steel Industries. Primarily company was started in a 1000 sq. feet workshop & within a decade it is elaborated to 7000 sq. feet modern factory. And another factory is started at Indapur 100 kms. away from Pune with area of 2,00,000 sq. feet which is again a big achievement for the Organisation. Recently Spraytech has started one another factory at Rabale (Navi Mumbai) with area of 6000 sq. feet. All three factories are facilitate with next generation class CNC machines, heavy material handling equipment to serve raising market demands with no compromise and world class product quality. Along with this field of engineering Spraytech has entered in forging to serve respective product demands.

Spraytech" is a leading organisation & a good name in the market for mfg. of Spray Nozzles. We attribute our success to our motivated and skilled work force who can accomplish job orders of varying magnitudes and complexities. We are proud to have esteemed customers who have entrusted their faith in us over the years.

The aim of our organization is customer satisfaction which is achieved through following objectives:
Commitment to quality, Prompt response, Technical solutions, on time delivery and after sales service.

Our challenge is to meet the widely ranging delivery demands of an equally diverse customer base coupled with constant up gradation of production equipment and techniques to keep pace with new market trends and applications.

OUTLINE

Business:	Manufacturing and Sales of spray nozzles, Flow line products, strainers & filters and forged products.
Established:	April 20 th , 2000
Capital:	100 crores
Total work force:	200+
Head office: & Thane Factory	Spraytech House, Plot A- 132, Road No. 23, Spraytech Circle, Wagle Indl. Estate, Thane (W) - 400 604, Maharashtra, (India).
Rabale Factory:	R-513, T.T.C. Industrial Area, MIDC Rabale, Navi Mumbai - 400 701, Maharashtra, (India).
Indapur Factory:	Plot No. A-05, Indapur Five Star Industrial Area, Village – Loni Devkar Balpudi, Tal.- Indapur, Dist. Pune.- 413 106, Maharashtra, (India).

PRODUCT RANGE

1. Spray nozzles

- Flat spray nozzles
- Full cone spray nozzles
- Hollow cone spray nozzles
- Straight jet spray nozzles
- Tank washing/cleaning/cip/wip spray nozzles
- Tank cleaning machine
- Air atomizing spray nozzles
- Air nozzles
- Steam spray nozzles
- Tank mixing eductors
- Tablet coating spray guns/nozzles
- Fluid bed coater spray lances/nozzles
- Rmg/hsg spray lances/nozzles
- Steel mill spray nozzles and lances
- Customised spray lances

2. Strainers & filters

- Simplex basket filters
- Duplex basket filters
- Self cleaning filters
- Sand filters
- Cartridge filters
- Lube oil filters
- Compressed air filters
- Panel type air filters
- Bag filters
- Belt filters
- Valve less auto gravity filters
- 'y' , 't' , conical strainers
- Mobile cleaning devices
- Travelling water screen
- Moisture seperators
- Oil seperators
- Planetary mixers
- Differential speed mixers
- Stirrers
- Agitators

3.Flow line products

- Orifice assemblies
- Multistage orifice assemblies
- Averaging pitot tubes
- Flow nozzles
- Flow venturi
- Globe control valve

4.Forged products

- Forged fittings
- Forged flanges
- Valve manifolds
- Check valves
- Pligs & bushings
- Hydraulic fittings
- Compression tube fittings

5.Engineering systems

- Cip/wip mobile cleaning trolley
- Dust supression system
- Spray headers and systems
- Customised spray lances
- Engineering solutions
